(6) The individual initiated a goodfaith effort to repay overdue creditors or otherwise resolve debts.

## § 147.9 Guideline G—Alcohol consumption.

- (a) The concern. Excessive alcohol consumption often leads to the exercise of questionable judgment, unreliability, failure to control impulses, and increases the risk of unauthorized disclosure of classified information due to carelessness.
- (b) Conditions that could raise a security concern and may be disqualifying include: (1) Alcohol-related incidents away from work, such as driving while under the influence, fighting, child or spouse abuse, or other criminal incidents related to alcohol use;
- (2) Alcohol-related incidents at work, such as reporting for work or duty in an intoxicated or impaired condition, or drinking on the job;
- (3) Diagnosis by a credentialed medical professional (e.g., physician, clinical psychologist, or psychiatrist) of alcohol abuse or alcohol dependence;
- (4) Evaluation of alcohol abuse or alcohol dependence by a licensed clinical social worker who is a staff member of a recognized alcohol treatment program;
- (5) Habitual or binge consumption of alcohol to the point of impaired judgment:
- (6) Consumption of alcohol, subsequent to a diagnosis of alcoholism by a credentialed medical professional and following completion of an alcohol rehabilitation program.
- (c) Conditions that could mitigate security concerns include: (1) The alcohol related incidents do not indicate a pattern:
- (2) The problem occurred a number of years ago and there is no indication of a recent problem;
- (3) Positive changes in behavior supportive of sobriety;
- (4) Following diagnosis of alcohol abuse or alcohol dependence, the individual has successfully completed impatient or outpatient rehabilitation along with aftercare requirements, participates frequently in meetings of Alcoholics Anonymous or a similar organization, has abstained from alcohol for a period of at least 12 months, and

received a favorable prognosis by a credentialed medical professional or a licensed clinical social worker who is a staff member of a recognized alcohol treatment program.

## § 147.10 Guideline H—Drug involvement.

- (a) The concern. (1) Improper or illegal involvement with drugs raises questions regarding an individual's willingness or ability to protect classified information. Drug abuse or dependence may impair social or occupational functioning, increasing the risk of an unauthorized disclosure of classified information.
- (2) Drugs are defined as mood and behavior altering substances, and include:
- (i) Drugs, materials, and other chemical compounds identified and listed in the Controlled Substances Act of 1970, as amended (e.g., marijuana or cannabis, depressants, narcotics, stimulants, and hallucinogens),
- (ii) Inhalants and other similar substances.
- (3) Drug abuse is the illegal use of a drug or use of a legal drug in a manner that deviates from approved medical direction.
- (b) Conditions that could raise a security concern and may be disqualifying include: (1) Any drug abuse (see above definition);
- (2) Illegal drug possession, including cultivation, processing, manufacture, purchase, sale, or distribution;
- (3) Diagnosis by a credentialed medical professional (e.g., physician, clinical psychologist, or psychiatrist) of drug abuse or drug dependence;
- (4) Evaluation of drug abuse or drug dependence by a licensed clinical social worker who is a staff member of a recognized drug treatment program;
- (5) Failure to successfully complete a drug treatment program prescribed by a credentialed medical professional. Recent drug involvement, especially following the granting of a security clearance, or an expressed intent not to discontinue use, will almost invariably result in an unfavorable determination.
- (c) Conditions that could mitigate security concerns include: (1) The drug involvement was not recent;
